

## All About That Bass – Meghan Trainor

Swing strum: D DU UDU or D XU UXU

Because you know I'm all about that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass, no treble  
I'm all 'bout that bass, 'bout that bass

Yeah it's pretty clear, I ain't no size 2  
But I can shake it, shake it like I'm supposed to do  
'Cause I got that boom boom that all the boys chase  
And all the right junk in all the right places  
I see the magazine working that Photoshop  
We know that xxxx ain't real  
Come on now, make it stop  
If you got beauty beauty just raise 'em up  
'Cause every inch of you is perfect  
From the bottom to the top

Yeah, my momma she told me don't worry about your size  
She says, boys they like a little more booty to hold at night  
You know I won't be no stick figure silicone Barbie doll,  
So, if that's what's you're into  
Then go ahead and move along!
